Compressor

# FRENCH DOOR

## A Perfect Fit

The 36" counter depth french door refrigerator offers the largest capacity in the industry. This refrigerator can fit into smaller spaces, but it doesn't compromise on capacity, style or features.

## Save More with Linear Compressor

LG's Exclusive Linear Compressor is 23% more efficient than a conventional compressor.

## Quietest Operation

Enabled by LG's Exclusive Linear Compressor, this french door is whisper quiet, making this fridge the quietest french door available. Giving you peace and quiet as well as peace of mind.

## Long Live Your Food

Our Smart Cooling System enabled LG's exclusive Linear Compressor maintains the optimal humidity and temperature levels in your fridge, which means your food stays fresher, longer. The Multi-Air Flow design means your food stays fresh no matter where you put it.

## Call, Connect, Resolve

SmartDiagnosis™ uses self-diagnosing technology that can communicate 24/7 with LG customer service over the telephone providing you with comfort and reliability.

## Peace Of Mind

When you buy a refrigerator, you don't want to worry that it won't last. Because the Linear Compressor motor uses fewer moving parts and operates more efficiently, LG confidently backs the motor with a 10-year warranty.
