Stainless Steel

High Performance Cooking

LG's new premium gas cooktops offer an array of features that any cook would love. Cooks and chefs alike have the opportunity to cook gourmet meals on heat settings that range from 5,000 BTUs for a slight simmer to a 19,000 BTU UltraHeat center burner.

Style and Design

Adding to an already premium line, LG's gas cooktop continues in the tradition of premium style and design with intuitive controls and heavy-duty aesthetic nuances. The gas cooktop knobs feature red LED backlighting to keep the user informed of burners that are on and hot.

Versatility

With 5 sealed burners and 3 continuous heavy-duty cast iron grates, you have a wide range of cooking options. It's easy to cook with large skillets, woks, soup pots, and even griddles.
