Washer/Dryer Combo

The LG Wash and Dry Combo releases the user from the burden of transferring clothes from washer to dryer. The intelligent wash/dry system automatically programs the machine to wash and then dry clothes.

*The Combo Unit is ideal for small loads only.

Count On It

When you buy a washer, you don't want to worry that it won't last. Because the DirectDrive™ Motor uses fewer moving parts and operates more efficiently, LG confidently backs the motor with a 10-year warranty.

Call, Connect, Resolve

SmartDiagnosis™ uses self-diagnosing technology that can communicate 24/7 with LG customer service over the telephone providing you with comfort and reliability.

All the Right Moves

With 6Motion™ Technology, each wash cycle combines up to 6 different wash motions to provide a revolutionary cleaning experience and ultimate fabric care.

SenseClean™ System

The water level and wash time are set automatically based on the weight and size of each load for optimal washing care.
