Main Features

9 programs 4 wash temperatures Auto sensor controlled program Brushless DC[™] motor Interior led illumination Active fan drying 42dBA wash noise level Program follow-up display Time delay up to 1-24 hrs. Auto tablet detergent function 1/2 load function Sanitize function PowerWash function Self Cleaning Filter 3 way euro filtering system Light indicator on floor smartFIT[™] front adjustable rear feet smartBALANCE[™] front adjustable hinge system smartPIN[™] joint handle system Interior highloop with air gap Power plug

Interior Design

All stainless steel tank
Three spray arms (lower, upper and ceiling)

Ultra - Premium Rack Loading System

FlexiDrawer Removable 3rd rack
FlexiRack[™] loaded adjustable upper rack
Upper rack handle
4 adjustable mug shelves
Sliding cutlery basket
smartFold[™] plate supports on lower rack
Stainless Blomberg embossed lower rack
handle
Lower basket wine glass holder

Color

DWT 59500 SS: Stainless steel DWT 59500 FBI: Fully integrated

FEATURES

14 Place Settings

Blomberg dishwashers can perfectly clean dishes upto 14 place settings without leaving any piece of cutlery out.

PowerWash

Creates a power zone in the right hand side of the lower rack by providing intense water pressure. This specially designed 180 degree rotating spray arm with a 360 degree rotating head, helps water reach every single angle to clean heavily soiled pots and pans. This feature provides up to 5 times improved cleaning based on Pots&Pans+ program.

Auto Tablet

Sensors detects rinse aid and automaticly sets drying cycle duration. This provides the best drying results without any concern.

Mixwash+

It is the most suitable washing programme for daily mixed dishes including plastic items. While delicate glass items are washed in the upper basket, pans and trays can be washed in the lower basket.

Brushless DCTM Motor

Variable speed circulation motor allows to use optimum necessary amount of water and energy. Due to magnetic design the motor has no persistent low frequency sound, and creates less vibration.

Double Motion Float System

All Blomberg dishwashers have a double motion float system (DMFS) that provides maximum security against water damage and a bottom tray to prevent flooding.
