FRIGIDAIRE

Home Comfort

FFAP7033T1

Signature Features

Improves Home Environment

Protects your home from mold and mildew caused by excess moisture — and helps eliminate bacteria in the air that can make breathing difficult.

Effortless™ Clean Filter

Our removable, washable filter reduces bacteria, room odors and other airborne particles for a healthier, more comfortable environment.

Built-In Pump Option

Allows the unit to continuously discharge moisture in an upward direction, either into a sink or out of a window, saving you time from manually emptying the water bucket.

Effortless™ Humidity Control

Allows you to control the amount of humidity in your room for maximum comfort.

Dehumidifier

More Easy-To-Use Features

Ready-Select® Controls

Easily select options with the touch of a button.

ENERGY STAR®-Certified

Uses less energy, reducing your energy usage and ultimately lowering your utility bills.

Automatic Shut-Off

Unit shuts off automatically when the water tank is almost full.

Full Tank Alert System

Alerts you when your water tank nears capacity and it is time to empty the water bucket.

Continuous Drain Option

Continuously drains your dehumidifier — so you don't have to empty the water bucket.

Front-Loading Bucket with Carrying Handle and Splash Guard

Water bucket is conveniently located in the front of the unit for easy access, while the carrying handle and splash guard make emptying your bucket hassle-free.

SpaceWise® Portable Design

Caster wheels and handles make it easy to move your unit from room to room.

Low Temperature Operation

This unit is designed to operate at low temperatures down to 41 °F.

ENERGY STAR®

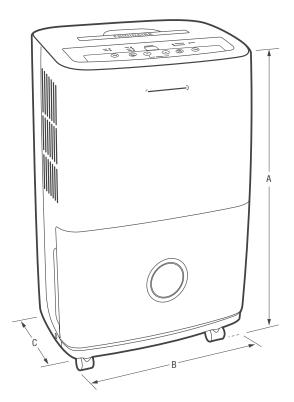

FRIGIDAIRE.
