CR24D | **24" DUAL-ZONE WINE COLUMN** - PANEL READY

Perlick

QUICK FEATURES

- Ready to accept custom or stainless steel panel

- Two temperature zones keep red and white wine at their recommended temperatures

- Smart humidity control maintains consistent humidity levels within the cabinet automatically.

- Touch-screen control streamlines the user experience. Enjoy access to smart settings for red, white and cellar temperatures, or customize to your preference in 1° increments. Access settings for lighting, Sabbath mode and more with a single touch.

- Triple-pane, UV-resistant glass provides protection from light

- Brightly illuminated by white and blue roll-on theatre lighting

- Convertible display shelf showcases 6 prized wine bottles with additional storage for 4 dessert (half sizes) wine bottles when angled up. Easily lays flat to store 11 bottles without additional parts and pieces.
