Porter & Charles

OUR STORY

When we met, the heat was rising over a stock pot of bouillabaisse at the Epicurious Culinary School. An aspiring weekend chef, the handsome Mr. Porter had titillated me in more ways than one, so it was no surprise that sparks flew.

And, apparently, they weren't coming from his namesake gas cooktop.

During class he'd taken off his jacket, rolled up the sleeves of his cuff-linked shirt and sauntered over as I opened the steam oven door. In a husky voice, he whispered, "Forget the menu, I'll have what she is having." Soufflé au Chocolat for two!

How could I resist his gourmet charm? Later, he'd describe me as the kind of woman who looks good in a high-end kitchen caressing a chilled glass of Veuve and wearing nothing but a pearl necklace and an apron.

Wonder how Mr. Porter likes his eggs? Over Easy?!

It was the start of a perfect private label pairing. My cool Liebherr fridge met his sleek Porter & Charles kitchen and laundry

appliances and it was an energy efficient match made in heaven. Stainless. European. Compact. Efficient. Desirable and Gorgeous... just like the two of us.

Learning to cook with our Porter & Charles appliances was the beginning of a great culinary adventure.

Ovens and Built-ins

A full range of high-performance ovens with an emphasis on design.

18

Cooktops

An extensive range of cooktops to suit your cooking needs.

20

Ranges

Hand finished to perfection and built to perform.

23

Ventilation

Stylish range hoods to compliment all kitchen and cooking needs.

25

Dishwashing

State-of-the-art performance in the most silent way.

26

Laundry

The latest in clothes cleaning technology that will fit right into your home.

27

CULINARY CRAVINGS

THE BEGINNING OF A CLEVER PLAN

The kitchen triangle: Two's company but three's a crowd if you don't plan the sink, fridge and cooktop with less than six feet between them.

*From Europe
with love!*

Romance and renos

Our stylish couple is diving head first into a potential relationship-killer... a kitchen reno, at her house no less. With a little luck she'll dance around the stress and be back cooking up a storm on the double with some good advice and Mr. Porter's saucy new line of stainless appliances.

THE RIGHT INGREDIENTS

OUR RECIPE FOR SUCCESS

FEAR NOT...I TAKE
LIFE WITH A GRAIN
OF SALT, A PINCH
OF LIME AND
A SHOT OF TEQUILA.

HELP! THE ONLY
REASON I HAVE
A KITCHEN IS
THAT IT CAME
WITH THE HOUSE.

State-of-the-art: It's out with the old and in with the new.
Old appliances stick out like a sore thumb so don't try to mix and match.

*From Europe
with love!*

Sleek and saucy

Not wanting to be dependent on Mr. Porter's design largess, our femme fatale has engaged a kitchen designer to the stars. After all, who doesn't want good guidance and a fresh start? Her golden rules for a kitchen that works: Put function first. A girl can never have too much counter space. Uncluttered islands are a man's best friend for prep (and eating). And, it's all about the storage... for wine that is!

FRESH AND FABULOUS

BABY, IT'S COOL INSIDE

Smart fridge: Expect produce that retains its vitamins, flavour and attractiveness three times longer with Liebherr's "BioFresh".

*From Europe
with love!*

Naughty nibbles

He enjoyed long, romantic walks to the fridge so it was no surprise when he asked her to join him for a late night sojourn. After all, if we weren't meant to have a glass of wine and a midnight snack, why would there be a light in the refrigerator?

CLEVER IN THE KITCHEN

SOME LIKE IT HOT

Advice for home chefs: Stick with the basics, plan well ahead, learn to read recipes, and start with fresh ingredients.

*From Europe
with love!*

Kitchen capers

Cooking is as sexy as it is practical. And it's beyond obvious that Mr. Porter found the way to her heart with his stylish kitchen. After all, the couple that cooks together, stays together.

DISHING IT OUT

IT'S ALL ABOUT THE BEST POSITIONS

A cartoon illustration of a man with blue hair, wearing a white dress shirt and a black tie, loading a dishwasher. He is placing a glass into the top rack, which is already filled with other glasses. The bottom rack contains plates and a spoon. A speech bubble from the man contains the text: "LET'S HOPE HER IDEA OF GETTING LUCKY TONIGHT ISN'T HAVING ME LOAD THE DISHWASHER."

LET'S HOPE HER IDEA
OF GETTING LUCKY
TONIGHT ISN'T HAVING
ME LOAD THE DISHWASHER.

Beyond washing and drying: Think noise level, energy use, layout and rack-positioning when choosing a new dishwasher.

*From Europe
with love!*

Divas and dishes

It was girl's night in and the debonair Mr. Porter couldn't help but notice that the lovely ladies had left a bit of a mess. Being a real man, he just rolled up his sleeves. Martini glasses on the top, plates on the bottom, cutlery in the basket. After all, it's what happens after dinner that really matters and not just the dishwasher that makes things sparkle.

NOT ON MY WASH

TIME TO CLEAN UP OUR ACT

LAUNDRY
TODAY,
OR NAKED
TOMORROW?

Go chemical free: Natural Forever New wool tumblers reduce wrinkles and drying time. Good for 1,000 plus loads and perfect for sensitive skin.

*From Europe
with love!*

Talking dirty

It'll all come out in the wash when Mr. Porter and Ms. Charles head into the laundry room for some good clean fun with their new European laundry machine. After all, a good man never runs out of steam.

The Porter & Charles Euro-efficient Combi9-6. It's as green as they come and delivers perfectly clean laundry every time!

HAPPY ENDINGS

ALL'S WELL THAT ENDS WELL

CHEERS
GORGEOUS!
DINNER IS READY
AND SO AM I.

Hot stuff: Using a steam oven is a faster, tastier way to prepare delicious, healthy food that retains its vitamins and nutrients.

*From Europe
with love!*

Hot and steamy

Cooking is like love. It should be entered into with abandon or not at all. But, it takes two to tango so stay tuned to see who will master the steam oven first, or whether Mr. Porter or Ms. Charles comes up with the best new recipes.

Ovens & Built-ins

A full range of top performers.

Let your kitchen be your showpiece! Designed to blend perfectly with all other appliances to enhance the appearance of any kitchen. A selection of single, double, speed and steam ovens and a microwave to suit any cooking need thoughtfully designed to make cooking more enjoyable and efficient, and provide delectable results meal after meal. More than simply a convenient way to defrost food, the speed oven and microwave are multi-function appliances that offer advanced programs such as grilling and convection cooking, and provide cooking results that far exceed the expectations of most microwave ovens.

SOPS60TC – 24" built-in stainless steel and black glass multi-function oven

Features

- 65 litre (2.29 cu. ft.) interior capacity
- 10 cooking functions including True Fan convection
- Retractable control knobs with touch control panel
- Double glazed down fold removable door with removable glass pane
- Fully automatic digital clock & timer
- Digital display with easy to use retractable control knobs
- Cooking Duration Feature and End Time cooking control

- Black enamel interior for easy cleaning
- 5 rack positions
- Child safety lock
- Bright interior light

Accessories

- Grill/roasting pan
- Baking sheet
- 2 chrome oven racks
- Telescopic rails
- Optional : LIE-7427640 - Silver cabinet base air ventilation grill

Oven Dimensions

- D: 22^{3/8}" (569mm) x W: 23^{7/16}" (595mm) x H: 23^{1/4}" (591mm)

Cut-Out Dimensions

- D: 22^{1/4}" (565mm) x W: 22^{1/16}" (560mm) x H: 22^{1/4}" (565mm)

Electrical Requirements

- 208/240 volt, 60Hz, 20 amp, 3220W
- Supplied with a 5ft long electrical cable and must be hard wired

STPS60TM - 24" built-in stainless steel multi-function and steam oven

Features

- 38 litre (1.34 cu. ft.) interior capacity
- Steam and convection oven
- 5 cooking functions
- Fingerprint proof stainless frame
- Stainless steel inner cavity
- Digital display with easy to use retractable control knobs
- Bright interior light • Safety lock
- Memory function - program 3 favourite recipes
- 3 AutoCook functions
- Drop-down grill for easy cleaning
- Fully programmable clock and timer

Steam Oven Functions

- Steam • Convection • Steam + Convection • Grill and Grill + Convection

Accessories

- Water tray • Perforated baking tray
- Baking sheet • Wire rack
- Optional : LIE-7427640 - Silver cabinet base air ventilation grill
- Optional : TK455 - 2 piece stainless steel trim kit designed to accommodate 24" built-in appliances into a 30" cabinet

opening to create a seamless cooking tower

Oven Dimensions

- D: 20^{15/16}" (531mm) x W: 23^{7/16}" (595mm) x H: 17^{13/16}" (453mm)

Cut-Out Dimensions

- D: 21^{5/8}" (550mm) x W: 22^{1/16}" (560mm) x H: 17^{3/4}" (451mm)

Electrical Requirements

- 208/240 volt, 60Hz, 20 amp, 2080W
- Supplied with a 5ft long electrical cable and must be hard wired

SPPS60TM – 24" built-in stainless steel speed oven

Features

- 38 litre (1.34 cu. ft.) interior capacity
- Fold down door
- Microwave, convection, grill modes
- Fingerprint proof stainless frame
- Stainless steel inner cavity
- Digital display with easy to use retractable control knobs
- Children's safety lock
- Memory function - program 3 favourite recipes
- 3 AutoCook functions
- Quick Start button
- Drop-down grill for easy cleaning
- Fully programmable clock and timer

Speed Oven Functions

- Microwave • Microwave + Grill
- Grill • Microwave + Convection
- Grill + Fan • Defrost by Time/Weight

Accessories

- Circular glass turntable
- Turntable ring and support
- Browning plate
- Rectangular wire rack and glass tray
- Optional : LIE-7427640 - Silver cabinet base air ventilation grill
- Optional : TK455 - 2 piece stainless trim kit to accommodate 24" built-

ins into a 30" cabinet opening to create a seamless cooking tower

Oven Dimensions

- D: 20^{15/16}" (531mm) x W: 23^{7/16}" (595mm) x H: 17^{13/16}" (453mm)

Cut-Out Dimensions

- D: 21^{5/8}" (550mm) x W: 22^{1/16}" (560mm) x H: 17^{1/2}" (445mm)

Electrical Requirements

- 208/240 volt, 60Hz, 20 amp, 3400W
- Supplied with a 5ft long electrical cable and must be hard wired

MWPS60TM – 24" built-in stainless steel microwave with grill

Features

- 38 litre (1.34 cu. ft.) interior capacity
- Fold down door
- Fingerprint proof stainless steel frame
- Downfold removable door
- Stainless steel inner cavity
- Digital display with easy to use retractable control knobs
- Children's safety lock
- Memory function - program 3 favourite recipes
- Drop-down grill for easy cleaning
- Fully programmable clock and timer

Accessories

- Circular glass turntable
- Turntable ring and support
- Browning plate
- High grill rack
- Low grill rack
- Optional : LIE-7427640 - Silver cabinet base air ventilation grill
- Optional : TK455 - 2 piece stainless steel trim kit designed to accommodate 24" built-in appliances into a 30" cabinet opening to create a seamless cooking tower

Functions

- Microwave
- Microwave + Grill
- Grill
- Defrost by Time + Weight

Oven Dimensions

- D: 18^{15/16"} (465mm) x W: 23^{7/16"} (595mm) x H: 17^{13/16"} (453mm)

Cut-Out Dimensions

- D: 21^{5/8"} (550mm) x W: 22^{1/16"} (560mm) x H: 17^{1/2"} (445mm)

Electrical Requirements

- 208/240 volt, 60Hz, 20 amp, 3300W
- Supplied with a 5ft long electrical cable and must be hard wired

YOU DON'T OWN A TV? WHAT'S ALL YOUR FURNITURE POINTED AT?

TVLB60: 24" built-in TV mount

TV Mount Features

- 24" built-in black glass TV lift door
- Heavy duty metal lift door components
- Push to open door
- Useable storage cavity behind lift door

TV Features

- 19" LED TV
- 150 Hz refresh rate

- 2 HDMI ports
- 1 USB port
- 1 component
- 1 composite AV
- ConnectShare - enjoy content from a USB key
- DTS enabled speakers

Accessories

- Easily removable wire management
- TV remote control

- User to provide their own media hookup (cable, PC, media PC, USB, or any other compatible media device)

Electrical Requirements

- 115 volt, 60Hz, 15 amp
- Supplied with North American cord and plug

DOPS60EL – 24" built-in multi-function double oven

Features

- 92 litre (3.24 cu. Ft.) interior capacity per oven
- 10 cooking functions including True Fan convection in top oven
- 5 cooking functions in bottom oven
- LCD touch display with electronic temperature control
- Triple glazed down fold removable door
- Excellent heat stability and insulation

- Digital clock and timer
- Black enamel interior for easy cleaning

Accessories

- Grill/roasting pan
- Reversible grill insert
- 2 chrome oven racks
- Optional : LIE-7427640 - Silver cabinet base air ventilation grill

Oven Dimensions

- D: 21^{7/8"} (555 mm) x W: 23^{5/8"} (600 mm) x H: 45^{1/16"} (1144 mm)

Cut-Out Dimensions

- D: min. 22^{1/16"} (560mm) x W: min. 22^{3/16"} (564mm) x H: 44^{3/4"} (1137mm)

Electrical Requirements

- 208/240 volt, 60Hz, 40 amp
- Supplied with a 5ft long electrical cable and must be hard wired

SOPS76-TM – 30" stainless steel built-in multi-function oven

Features

- 120L (4.3 cu. ft) interior capacity
- 9 cooking functions including True Fan Convection
- Heat-activated catalytic liners for a continuous clean
- Hot air cooking technology for perfect cooking
- Fully automatic digital clock and timer
- Cooking Duration Feature and End Time cooking control
- Oven power indicator and temperature pilot light

- Metric and imperial baking chart on inside of door
- Soft close door closing technology
- 5 shelf positions
- Cooling fan

Accessories

- Grill/roasting pan
- Reversible grill insert
- 2 chrome oven racks
- Full extension telescopic rails (1 pair)
- Optional : LIE-7427640 - Silver cabinet base air ventilation grill

Oven Dimensions

- D: 22^{3/4"} (578 mm) x W: 29^{3/4"} (756 mm) x H: 24" (H: 610 mm)

Cut-out Dimensions

- D: min. 22^{1/4"} (565 mm) x W: 28^{7/16"} (723 mm) x H: 24^{3/16"} (614 mm)

Electrical Requirements

- 208/240 volt, 60Hz, 30 amp
- Supplied with a 5ft long electrical cable and must be hard wired

Cooktops Advanced technology combined with style.

Induction: Induction cooktops offer fast and responsive cooking; the cookware itself becomes the heat conductor and becomes hot, while the smooth ceramic surface remains safe because it does not produce any heat. When the pot is removed from the surface, the cooking stops. Energy is saved as only the exact amount needed for cooking is used and cleaning is easier because grease and food residues do not "bake" onto the ceramic glass. Made from resilient, high quality ceramic glass it is a beautiful complement to any kitchen style. These cooktops are incredibly quick, have more flexible control than gas, are easier to clean, and extremely safe.

CI30V: 12" induction cooktop

Features

- 2 induction zones
- 9 power levels with Power Boost
- Black ceramic with beveled edges
- Touch control panel
- Automatic switch off
- Child safety lock
- Smart Pause
- Count-down timer

- Residual heat indicator
- Shallow depth allows for easy install over drawers or an oven

Cooktop Dimensions

- D: 20¹/₂" (520mm) x W: 11⁷/₁₆" (290mm)

Cut-Out Dimensions

- D: 19⁵/₁₆" (490mm) x W: 10⁵/₈" (270mm)

Electrical Requirements

- 208/240 volt, 60Hz, 20 amp, 3600W
- Supplied with a 5ft long electrical cable and must be hard wired

CI60V: 24" induction cooktop

Features

- 4 induction zones
- 9 power levels with Power Boost
- Black ceramic with beveled edges front and back, stainless steel sides to prevent chipping
- Touch control panel
- Automatic switch off
- Child safety lock

- Smart Pause
- Count-down timer
- Residual heat indicator
- Shallow depth allows for easy install over drawers or an oven

Cooktop Dimensions

- D: 20¹/₂" (520mm) x W: 23¹/₄" (590mm)

Cut-Out Dimensions

- D: 19⁵/₁₆" (490mm) x W: 22¹/₁₆" (560mm)

Electrical Requirements

- 208/240 volt, 60Hz, 40 amp, 7400W
- Supplied with a 5ft long electrical cable and must be hard wired

CI76V: 30" induction cooktop

Features

- 4 induction zones
- 9 power levels with Power Boost
- Black ceramic with beveled edges front and back, stainless steel sides to prevent chipping
- Touch control panel
- Automatic switch off
- Child safety lock
- Smart Pause
- Count-down timer

- Residual heat indicator
- Shallow depth allows for easy install over drawers or an oven

Cooktop Dimensions

- D: 20⁹/₁₆" (522mm) x W: 30³/₄" (781mm)

Cut-Out Dimensions

- D: 19⁵/₁₆" (490mm) x W: 29¹/₂" (750mm)

Electrical Requirements

- 208/240 volt, 60Hz, 40 amp, 7400W
- Supplied with a 5ft long electrical cable and must be hard wired

CI90V: 36" induction cooktop

Features

- 5 induction zones
- 9 power levels with Power Boost
- Black ceramic with beveled edges front and back, stainless steel sides to prevent chipping
- Touch control panel
- Automatic switch off
- Child safety lock
- Smart Pause
- Count-down timer

- Residual heat indicator
- Shallow depth allows for easy install over drawers or an oven

Cooktop Dimensions

- D: 20¹/₂" (520mm) x W: 35¹/₄" (895mm)

Cut-Out Dimensions

- D: 19³/₁₆" (487mm) x W: 33¹/₄" (845mm)

Electrical Requirements

- 208/240 volt, 60Hz, 40 amp, 10800W
- Supplied with a 5ft long electrical cable and must be hard wired

Gas: Porter & Charles special gas burner design produces a clean and perfect flame. They come in a range of sizes and BTU's for cooking flexibility and precision. With the UltraFlat stainless steel design, these cooktops will integrate beautifully into any kitchen design.

CG60WOK-F: 24" gas cooktop

Features

- 4 high quality gas burners
- Continuous cast iron support grates
- Cast iron wok support ring
- UltraFlush stainless steel design
- Ergonomically placed control knobs
- Electronic ignition
- Flame failure safety system
- Shallow depth allows for easy install over drawers or an oven

Performance

- 1 x double ring wok burner – 13,600 BTU
- 2 x semi-rapid burner – 8,000 BTU
- 1 x true simmer burner – 5,000 BTU down to 600 BTU

Cooktop Dimensions

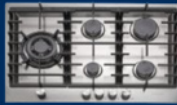

- D: 20" (508mm) x W: 23^{3/16}" (589mm)

Cut-Out Dimensions

- D: 19" (483mm) x W: 22^{13/16}" (580mm)

Electrical Requirements

- 115 volt, 60Hz, 15 amp
- Supplied with 5ft electrical cord and plug

CG76WOK-F: 30" gas cooktop

Features

- 5 high quality gas burners
- Continuous cast iron support grates
- Cast iron wok support ring
- UltraFlush stainless steel design
- Ergonomically placed control knobs
- Electronic ignition
- Flame failure safety system
- Shallow depth allows for easy install over drawers or an oven

Performance

- 1 x double ring wok burner – 17,500 BTU
- 1 x rapid burner – 11,500 BTU
- 2 x semi-rapid burner – 8,000 BTU
- 1 x true simmer burner – 5,000 BTU down to 600 BTU

Cooktop Dimensions

- D: 20" (508mm) x W: 29^{5/8}" (752mm)

Cut-Out Dimensions

- D: 19" (483mm) x W: 28^{1/4}" (717mm)

Electrical Requirements

- 115 volt, 60Hz, 15 amp
- Supplied with 5ft electrical cord and plug

CG90WOK-F: 36" gas cooktop

Features

- 5 high quality gas burners
- Continuous cast iron support grates
- Cast iron wok support ring
- UltraFlush stainless steel design
- Ergonomically placed control knobs
- Electronic ignition
- Flame failure safety system
- Shallow depth allows for easy install over drawers or an oven

Performance

- 1 x double ring wok burner – 17,500 BTU
- 1 x rapid burner – 11,500 BTU
- 2 x semi-rapid burner – 8,000 BTU
- 1 x true simmer burner – 5,000 BTU down to 600 BTU

Cooktop Dimensions

- D: 20" (508mm) x W: 35^{1/16}" (890mm)

Cut-Out Dimensions

- D: 19" (483mm) x W: 33^{7/8}" (860mm)

Electrical Requirements

- 115 volt, 60Hz, 15 amp
- Supplied with 5ft electrical cord and plug

Electric: The single sheet of high quality black ceramic glass gives your kitchen a streamlined look. The flexible cooking zones provide you with a variety of cooking options. Electronic touch controls ensure precise heat selection and the highlight zone heats up in less than 5 seconds; saving both time and energy.

CC30S/K: 12" electric cooktop

Features

- 2 Hi-Lite zones with quick heating elements
- 9 power levels
- Black ceramic with stainless steel trim
- Chrome control knobs

- Residual heat indicator
- Shallow depth allows for easy install over drawers or an oven

Cooktop Dimensions

- D: 20¹/₁₆" (510mm) x W: 11³/₈" (290mm)

Cut-Out Dimensions

- D: 19¹/₄" (490mm) x W: 10⁵/₈" (270mm)

Electrical Requirements

- 208/240 volt, 60Hz, 20 amp, 3000W
- Supplied with a 5ft long electrical cable and must be hard wired

CCK60: 24" electric cooktop

Features

- 4 Hi-Lite zones with quick heating elements
- 9 power levels
- Black ceramic with stainless steel trim
- Chrome control knobs

- Residual heat indicator
- Shallow depth allows for easy install over drawers or an oven

Cooktop Dimensions

- D: 20¹/₄" (515mm) x W: 23¹/₁₆" (585mm)

Cut-Out Dimensions

- D: 19¹/₄" (490mm) x W: 22³/₆₄" (560mm)

Electrical Requirements

- 208/240 volt, 60Hz, 40 amp, 6000W
- Supplied with a 5ft long electrical cable and must be hard wired

CC60V: 24" electric cooktop

Features

- 4 Hi-Lite zones with quick heating elements
- 9 power levels
- Black ceramic with beveled edges front and back, stainless steel sides to prevent chipping
- Touch control panel
- Child safety lock

- Smart Pause
- Count-down timer
- Residual heat indicator
- Shallow depth allows for easy install over drawers or an oven

Cooktop Dimensions

- D: 20¹/₂" (521mm) x W: 23⁵/₁₆" (592mm)

Cut-Out Dimensions

- D: 19¹/₁₆" (485mm) x W: 22⁵/₁₆" (567mm)

Electrical Requirements

- 208/240 volt, 60Hz, 40 amp, 6000W
- Supplied with a 5ft long electrical cable and must be hard wired

CC76V: 30" electric cooktop

Features

- 4 Hi-Lite zones with quick heating elements and 1 expandable cooking zone
- 9 power levels
- Black ceramic with beveled edges front and back, stainless steel sides to prevent chipping
- Touch control panel

- Child safety lock
- Smart Pause
- Count-down timer
- Residual heat indicator
- Shallow depth allows for easy install over drawers or an oven

Cooktop Dimensions

- D: 20⁹/₁₆" (522mm) x W: 30³/₄" (781mm)

Cut-Out Dimensions

- D: 19¹³/₁₆" (503mm) x W: 29¹³/₁₆" (758mm)

Electrical Requirements

- 208/240 volt, 60Hz, 40 amp, 6400W
- Supplied with a 5ft long electrical cable and must be hard wired

CC90-2: 36" electric cooktop

Features

- 5 Hi-Lite zones with quick heating elements with 2 expandable burners
- 9 power levels
- Black ceramic with beveled edges front and back, stainless steel sides to prevent chipping
- Touch control panel
- Child safety lock

- Smart Pause
- Count-down timer
- Residual heat indicator
- Shallow depth allows for easy install over drawers or an oven

Cooktop Dimensions

- D: 20³/₁₆" (512mm) x W: 35⁷/₁₆" (900mm)

Cut-Out Dimensions

- D: 19⁵/₁₆" (490mm) x W: 33³/₄" (858mm)

Electrical Requirements

- 208/240 volt, 60Hz, 40 amp, 8600W
- Supplied with a 5ft long electrical cable and must be hard wired

Ranges

Hand finished to perfection and built to perform.

Porter & Charles ranges offer exceptional quality and performance. Aesthetic highlights include clean lines and attention to detail, from the ergonomic handle to the interior light. Hand assembled and hand finished using the highest quality stainless steel, the quality is not only visual but can be felt. All ranges were designed with the user in mind, with features to make cooking more enjoyable and clean-up as simple as possible.

- Continuous cast iron grates

- Metric and imperial baking chart on inside of door
- Full extension telescopic rails
- Fully programmable clock/timer with delay start & finish
- Warming drawer, 30L (1.06cu.ft) capacity
- Adjustable leg height and flush with cabinets

- Includes LPG conversion kit

Range Dimensions

- D: 25³/₁₆" (640 mm) x W: 30" (762 mm) x H: 36" (900-920 mm)

Electrical Requirements

- 208/240 volt, 60Hz, 40 amp
- Supplied with range cord and plug

FEG90B3

36" (90cm) stainless steel dual fuel range

Features

- 120L (4.3cu.ft) oven capacity
- 9 cooking functions including True Fan convection for perfect cooking
- Double glazed removable door
- 5 sealed gas burners with cast iron grates

- Heat-activated continuous clean catalytic liners
- Metric and imperial baking chart on inside of door
- Full extension telescopic rails
- Fully programmable clock/timer with delay start and finish
- Warming drawer
- Includes LPG conversion kit
- Adjustable leg height and flush with cabinets

Range Dimensions

- D: 25³/₁₆" (640 mm) x W: 35¹/₂" (900 mm) x H: 36" (900-920 mm)

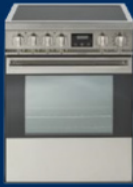

Electrical Requirements

- 208/240 volt, 60Hz, 40 amp
- Supplied with range cord and plug

HOW'S DINNER
FOR TWO...
AL FRESCO?

Electric Ranges

FEC60B2

24" (60cm) stainless steel slide-in electric range

Features

- 63L (2.22cu.ft) oven capacity
- 9 cooking functions including True Fan Convection
- Triple glazed door
- Heat-activated continuous clean catalytic liners

- 4 electric burners, 2 expandable
- Residual heat indicator
- Fully programmable clock/timer with delay start & finish
- Adjustable leg height and flush with cabinets

Range Dimensions

- D: 25³/₁₆" (640 mm) x W: 24" (610 mm) x H: 36" (900-920 mm)

Electrical Requirements

- 208/240 volt, 60Hz, 40 amp
- Supplied with range cord and plug

FEC76B

30" (76cm) stainless steel slide-in electric range

Features

- 105L (3.8 cu.ft) oven capacity
- 9 cooking functions including True Fan Convection
- Double glazed removable door
- Heat-activated continuous clean catalytic liners
- 4 electric burners, 2 expandable

- Residual heat indicator
- Metric and imperial baking chart on inside of door
- Full extension telescopic rails
- Fully programmable clock/timer with delay start & finish
- Warming drawer
- Adjustable leg height and flush with cabinets

Range Dimensions

- D: 25³/₁₆" (640 mm) x W: 30" (762 mm) x H: 36" (900-920 mm)

Electrical Requirements

- 208/240 volt, 60Hz, 40 amp
- Supplied with range cord and plug

FEC90B3

36" (90cm) stainless steel slide-in electric range

Features

- 120L (4.3cu.ft) oven capacity
- 9 cooking functions including True Fan Convection
- Double glazed removable door
- Heat-activated continuous clean catalytic liners

Features

- 24" stainless steel built-in range hood insert
- LED lighting
- 3 speed adjustment
- Electronic back-lit push buttons

- 1 x dishwasher safe metal mesh filter
- Quiet 300 CFM motor
- 115 volt, 60Hz, 15 amp, supplied with cord and plug

Optional Accessories

- CF-A : charcoal filters for re-circulating option
- PF-A1 : replacement metal mesh filter

Insert-30

Features

- 30" stainless steel built-in range hood insert
- LED lighting
- 3 speed adjustment
- Electronic back-lit push buttons

- 2 x dishwasher safe metal mesh filters
- Quiet 300 CFM motor
- 115 volt, 60Hz, 15 amp, supplied with cord and plug

Optional Accessories

- CF-A : charcoal filters for re-circulating option
- PF-A2 : replacement metal mesh filter

T-Shape30

Features

- 30" stainless steel T-shaped wall-mount range hood
- LED lighting
- 3 speed adjustment
- Electronic back-lit push buttons

- 2 x dishwasher safe perforated filters
- Quiet 500 CFM motor
- 115 volt, 60Hz, 15 amp, supplied with cord and plug

Optional Accessories

- EFTGW-P&C : 2 piece high ceiling extension flue
- PF-B1 : replacement perforated filter

Pyramid-30

Features

- 30" stainless steel pyramid shaped wall-mount range hood
- LED lighting
- 3 speed adjustment
- Electronic back-lit push buttons

- 2 x dishwasher safe perforated filters
- Quiet 500 CFM motor
- 115 volt, 60Hz, 15 amp, supplied with cord and plug

Optional Accessories

- EFP-P&C - 2 piece high ceiling extension flue
- CF-B - charcoal filters for re-circulating option
- PF-B1 : replacement perforated filter

Pyramid-36

Features

- 36" stainless steel pyramid shaped wall-mount range hood
- LED lighting
- 3 speed adjustment
- Electronic back-lit push buttons

- 3 x dishwasher safe perforated filters
- Quiet 500 CFM motor
- 115 volt, 60Hz, 15 amp, supplied with cord and plug

Optional Accessories

- EFP-P&C : 2 piece high ceiling extension flue
- CF-B : charcoal filters for re-circulating option
- PF-B1 : replacement perforated filter

Dishwashers

Forever New Love your clothes.

For over 25 years, Forever New Fashion Care has developed and produced laundry detergent for front loading washers. Using plant-derived, natural biodegradable ingredients Forever New® laundry detergent is gentle on your clothing, gentle on your skin, and gentle on the planet making them the clothing care experts.

Committed to gentle, effective cleaning, Forever New® will always be made with:

- Eco-friendly, plant-based, biodegradable cleansers
- Free of parabens, phthalates, SLES and dyes
- Naturally derived essential oils
- And never tested on animals

FEN-2800

- Forever New® Soft Scent Powder
- 3 KG Re-sealable Pouch, 96 Loads

FEN-2303

- Forever New® Soft Scent Powder
- 1 KG Re-sealable bottle, 32 Loads

FEN-2312

- Forever New® Unscented Powder
- 1 KG Re-sealable bottle, 32 Loads

FEN-2245

- Forever New® Soft Scent Powder
- 450g, Re-sealable bottle, 15 Loads

FEN-2500

- Forever New® Soft Scent Liquid Detergent
- 910ML Re-sealable bottle, 30 Loads

FEN-2505

- Forever New® Unscented Liquid Detergent
- 910ML Re-sealable bottle, 30 Loads

FEN-2900

- Forever New® Laundry Room Tin
- Stylish metal tin with lid to store powder laundry detergent
- Convenient scoop located on side on tin to measure correct quantity

FEN-2320-WHT

- Pure Wool Tumble Dryer Balls (set of 3)
- Handmade from 100% premium virgin wool roving and then felted to ensure they will not leave fluff on your laundry
- A gentle alternative to chemical dryer sheets and fabric softener
- Softens clothes and reduces wrinkling for faster ironing
- Tumblers lift and separate clothing which increases the flow of air between items
- Saves time/money by cutting drying time by 20-30% and dryer balls last for 1000+ loads

FEN-2910 - Forever New® Gift Pack

** Best Value **

- Forever New® Soft Scent Powder, 3 KG Re-sealable Pouch, 96 Loads
- Forever New® Laundry Room Tin
- Pure Wool Tumble Dryer Balls (set of 3)

FEN-4008 + FEN-4014

- 100% polyester wash bags
- Strong, unique weave designed to let water in and dirt out
- Ideal for hosiery, socks, scarves, and delicate items of clothing
- Two sizes – large (4008) and x-large (1014)

FEN-4020 + FEN-4030

- Bra Bather Wash Bag with padded mesh
- Prevent bra hooks from snagging other clothes and avoids underwire in the bras from coming loose in the wash
- Using a gentle cycle with a bra bather can be as gentle as hand washing
- Two sizes – standard A-C cup (FEN-4020) and large D+ cup (FEN-4030)

WHY DON'T MEN
DO LAUNDRY?
BECAUSE THE TV
REMOTE CONTROL
DOESN'T TURN THE
MACHINE ON!
