Frigidaire Gallery 10,000 BTU Cool Connect™ Smart Room Air Conditioner with Wifi Control

SIGNATURE FEATURES

Control your AC from anywhere at anytime

Wi-Fi cool your room anywhere, anytime from your smart device. At your convenience turn the unit on or off, change temperature, control modes, and adapt fan speeds to best meet your comfort.

Works with Amazon Alexa

Turn your unit on and off, set a temperature, raise and lower the temperature by simply speaking to Amazon Alexa¹.

Sleek new design

Reimagine what a room air conditioner looks like. With LED lighting, and a sleek and modern mesh grill, the new Cool Connect™ Room Air Conditioner blends seamlessly into any room.

Works with the Google Assistant

Turn your unit on and off, set a temperature, raise and lower the temperature by simply speaking to the Google Assistant².

Height	13-13/32"
Width	21-1/4"
Depth	19"

MORE EASY-TO-USE FEATURES

Quick & even cooling of any room

Innovative slanted louvers direct airflow in an upward, circular motion, allowing for quick & even cooling of the entire room.

Easy clean mesh filter

New magnetic closure allows your mesh antibacterial filter to be easily removed for convenient cleaning.

The Frigidaire® Smart App

The Frigidaire® Smart App provides you the convenience to remotely change temperature, turn the unit on & off, and create custom schedules.

Save energy & money

Run your AC on demand or with pre-set schedules.

Effortless™ Scheduling

Conveniently develop a custom schedule for your AC 24 hours a day. Easily program your AC to run during the day, at night, during the week and on weekends.

Comfortably cool rooms

With 10,000 BTUs, the AC unit is ideal for cooling rooms up to 450 square feet.

Multi-Speed Fan

Features three different fan speeds, for more cooling flexibility.
