Frigidaire Gallery 12,000 BTU Cool Connect™ Smart Room Air Conditioner with Wifi Control

SIGNATURE FEATURES

ENERGY STAR® Certified

Use less energy than standard air conditioners reducing your energy usage, and ultimately lowering your utility bills.

Clean Air Ionizer

With this feature, the electronic air purifier is energized to remove pollen and impurities from the air, improving your comfort.

Power Cord

Comes with an extra long three-prong cord — makes extension cords unnecessary.

Comfortably cool rooms

With 12,000 BTUs, the AC unit is ideal for cooling rooms up to 550 square feet.

AVAILABLE COLORS

PRODUCT DIMENSIONS

Height	14-1/2"
Width	19"
Depth	24-39/64"

MORE EASY-TO-USE FEATURES

Control your AC from anywhere at anytime

Wi-Fi cool your room anywhere, anytime from your smart device. At your convenience turn the unit on or off, change temperature, control modes, and adapt fan speeds to best meet your comfort.

Easy Install Window Kit

The easy install window kit features insulated side panels that minimize air leaks and ensure that cool air remains in the room, saving you on energy costs.

Easy clean mesh filter

New magnetic closure allows your mesh antibacterial filter to be easily removed for convenient cleaning.

Effortless™ Scheduling

Conveniently develop a custom schedule for your AC 24 hours a day. Easily program your AC to run during the day, at night, during the week and on weekends.

Effortless™ Temperature Control

Our air conditioners maintain the preset room temperature, so you will remain comfortable at all times.

Multi-Speed Fan

Features three different fan speeds, for more cooling flexibility.

Product Alerts & Support

The Frigidaire app allows you to stay informed with up-to-date alerts, such as clean filter indicators and other key notifications.
