

A high-quality photograph of a chrome-plated Smeg toaster sitting on a light-colored wooden table. The toaster is a classic two-slice model with a rounded, retro design. In the foreground, there is a white cup of coffee on a saucer with a spoon, a small plate of smoked salmon, and some fresh raspberries. The background is softly blurred, showing more of the table setting and a hint of a kitchen environment. The entire image is framed by a diagonal grey band that separates the top header from the bottom contact information.
