PILATO

The rounded front, beautifully sloping angles and stainless steel finish of Pilato make a striking visual statement. Available in 30" or 36" widths, Pilato features include a powerful 600 CFM blower, 2 LED lights, dishwasher safe stainless steel microhole filters and multi-function electronic controls with LCD display that deliver convenience and safety.

Designed for standard ducted installation, Pilato can also be installed as a recirculating system using the Recirculating Kit, available as an accessory.

PLUS FEATURES

CFM REDUCTION - CFM Reduction System (CRS), is an exclusive feature to Elica hoods, which enables the user directly in the glass touch control the maximum blower CFM, to meet local code requirements.

DIM LIGHT - The Dimmer allows you to adjust the brightness of the light as you wish. With Elica, lighting is customized in a discreet, personal and practical way, in order to contribute in creating the perfect kitchen atmosphere.

TOUCH CONTROLS - Enjoy effortless cooking and fully control each cooking zone with the tip of a single finger.

 \mbox{HUSH} SYSTEM - An exclusive sound deadening technology that effectively reduces sound levels by over 35%.

TOP PERFORMANCE - Excellent performance for models equipped with this plus. High fume capturing capacity with and average aspiration range of 600 CFM's and a noise level between 60-65 db (A) at maximum speed (reference point varies based on the hood category).

LED LIGHT - LED lighting is undoubtedly the smartest solution in terms of energy saving. Expected life time of over 20.000 hours, represents the most remarkable advantage of LED light bulbs.

CLEAN FILTER ALARM - When activated, your hood will emit a "beep" signal to let you know when is time to clean your filters. For some models, an intermittent light will remain active until cleaning filter action is completed. See instructions manual to activate feature.

REPLACE FILTER ALARM- When activated, your hood will emit a "beep" signal let you know when is time to replace the carbon filters. See instructions manual to activate feature.
