

30" Built-In Multifunction, Steam Oven

Available Finishes/Colors

B3007PS
Black Glass Finish with Stainless-Steel Trim

KEY FEATURES

Black Glass Finish with Stainless-Steel Trim and Handle

Its sleek black glass and stainless-steel handle coordinates with AEG contemporary products, with elegant design and clean lines offering a stylish modern look for your kitchen.

True Fan Convection

Cook foods faster with the addition of a third element plus a fan that distributes hot air evenly over, under and around food so dinner is ready when they are.

Precise Control

Precise temperature adjustment is made through smooth and balanced dial movement. Brilliant halogen lighting, plus a large viewing window improve performance and efficiency.

13 Cooking Functions for Delicious Results

13 Cooking modes including, True Fan Convection, Grilling, Steam cooking, provides flexibility to ensure meals are cooked to perfection.

Size to Suit

Prepare multiple dishes, including vegetables, pastries, or casseroles with a large capacity of 4.3 cubic feet. Or easily cook large meals, like a big roast or holiday turkey.

Pyrolytic Clean

The pyrolytic cleaning cycle uses high temperatures inside the oven to cause the oxidization and carbonization of grease accumulated during cooking.

ACCESSORIES

1 x Pair of Retractable Slide Runners, 1 x Deep Enamelled Roasting Pan, 2 x Wire Rack Oven Shelves, and Bottom vent grill required for adequate air flow - (7427640) available.
