AEG

## 24" Built-In Induction Cooktop

### FEATURES & BENEFITS

#### Blends Seamlessly Into Any Kitchen

The black surface and stainless steel trim aligns perfectly with every kitchen style.

#### Induction Elements

Electromagnetic heating technology where heat is generated inside your cookware, ensuring a more efficient process with less energy waste, faster heating, and a safer cooking experience.

#### Ceramic Glass Surface

Ensures improved safety and easy cleaning.

#### Touch & Slide Controls

Adjust and control the power levels with a simple touch and slide design.

#### Digital Timer Setting

The digital timer setting of up to 99 minutes helps coordinate meal preparation and cooking.

#### 9 Power Levels

Allow you to adjust the heat output of each element.

#### Residual Heat Indicator

Cooktop indicates when elements are still hot.

#### Automatic Switch-Off

The cooktop automatically turns off when overheating.
